

EURO DELUXE

MADE IN BELGIUM

LAMINATE
FLOORING
WITH A NATURAL
LOOK AND FEEL

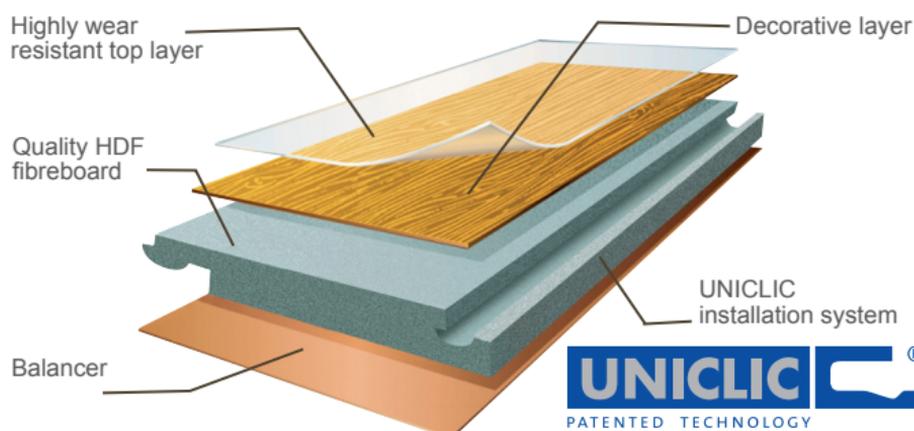

Euro Deluxe is a versatile flooring choice for all areas of the home.

WHY CHOOSE A EURO DELUXE FLOOR?

Euro Deluxe laminate floors are produced in Belgium using the best raw materials and production processes.

For increased peace of mind, Euro Deluxe flooring is treated with AquaProtect, a cutting edge process that provides water resistance to your flooring, making it suitable for use in wet spaces like bathrooms and high spill areas.
