

A light-colored dog, possibly a Weimaraner, is lying on a light-colored wooden floor. The dog is looking down and to the left. In the upper right corner, there is a portion of a colorful rug with green, yellow, and blue sections. The overall scene is brightly lit, suggesting an indoor setting.

sentry

Hard working flooring
for families

Features

100% Waterproof

Sentry flooring is 100% waterproof, suitable for every room in your home including the kitchen,

UNICLIC Locking System

Sentry flooring utilises the universally recognised UNICLIC technology, which is known for its simple click together system.
